About RWE

RWE is one of Europe's five leading electricity and gas companies. The company is active in the generation, trading, transmission and supply of electricity and gas. More than 70,000 employees supply over 16 million customers with electricity and approximately 8 million customers with gas. In 2012, the company recorded about €53.2 billion in revenue. RWE is the No. 1 electricity producer in Germany, No. 3 in the Netherlands, and UK. The company continuously expands its position in Central and South Eastern Europe. Renewable energy plays a large part in this expansion.
