RWE & TURCAS GÜNEY ELEKTRİK ÜRETİM A.Ş. RECEIVES ENERGY AWARD

The 4th ICCI Energy Awards were given as part of the 20th International Energy and Environment Fair and Conference - ICCI 2014.

The "ICCI Energy Awards" jury in the 20th International Energy and Environment Fair and Conference – ICCI 2014 decided that RWE's Denizli Combined Cycle Gas Plant was worthy of the Grand Prize in the gas-fired thermal power plant category.

Energy Awards are given to recognize outstanding service and contribution to the energy industry as it is set to become one of the hottest agenda items in Turkey and around the world, and seeks to encourage future projects and services. The award was presented to RWE & Turcas Güney Elektrik Üretim A.Ş. Chief Technical Officer Hans-Jürgen Petschke by the Turkish Minister of Energy and Natural Resources, Taner Yıldız. Petschke congratulated all of their employees in his speech, saying, "This achievement honors us all. We would like to and thank you for your unwavering support since day one."
