RWE& TURCAS WINS SECOND GRAND PRIZE IN ENERGY

The fifth "ICCI Energy Awards" given as part of the International Energy and Environment Fair and Conference – ICCI 2015 were presented on Monday, February 22nd. RWE & Turcas won the prize for the second time with the Denizli Power Plant.

The "ICCI Energy Awards" ceremony was held on Monday, February 22nd at the JW Marriott Hotel in Ankara.

Based on the evaluation of ICCI jury it has been decided that RWE & Turcas Güney Elektrik Üretim A.Ş. won Grand Prize with the Denizli Combined Cycle Gas Plant in the gas-fired thermal power plant category.

Receiving the award from Cihan Pektaş, Chairman of the Parliamentary Commission on the Environment and Fatih Dönmez, Undersecretary of the Ministry of Energy and Natural Resources, RWE & Turcas Güney Elektrik Üretim A.Ş. Chief Technical Officer Hans-Jürgen Petschke said *"We are delighted to have proven the success of our power plant by winning the Grand Prize in Energy for the second time. This success and the award belongs to the entire RWE & Turcas family."*

RWE & Turcas Güney Elektrik Üretim A.Ş. had won the Grand Prize in Energy in 2014 as well. The Awards are given to support exceptional service and contribution to the energy sector in recognition of the critical importance of energy to Turkey.
